

**2008 LLA Resolution –  
Louisiana State Documents Depository Program  
March 5, 2008**

Whereas the Louisiana State Documents Depository Program was founded in 1948, and

Whereas the Program has now been in existence for 60 years, and

Whereas the Program has been of great benefit to the libraries and citizens of Louisiana through the acquisition, cataloging, distribution, and preservation of the state's public documents;

Now, therefore, be it resolved that the Louisiana Library Association congratulates the State Library of Louisiana on the diamond anniversary of the Louisiana State Documents Depository Program and commends the current and previous Records of Documents for their valuable efforts.
