CHAIR'S CORNER

by
Rebecca Stenzel

This is my last message to you as Academic Section Chair. Jules Tate, Nunez Community College, will become Chair at the June 12, 1999 LLA Board Meeting. Normally new officers are announced at the LLA Conference but this year election results were disqualified; therefore, a new election was held after the conference. Your new section officers will be Nancy Colyar (LSU, Baton Rouge), Vice Chair/Chair Elect, and Peggy Schenk (Louisiana Tech), Secretary. Congratulations to them and I know they will do a great job.

The Section has had a good year and thanks to Jules, we had an excellent conference in Baton Rouge. Sessions sponsored by the Section were held on Wednesday, March 17, 1999 and on Thursday, March 18, 1999. The sessions were all excellent and they were very well attended. "Innovations in Library User Education" program was a series of mini sessions highlighting different training approaches being used in the state: "Web-Accessible OPAC and Database Tutorial," Lisa Stigall, LOUIS/LLN staff; "Hands-on-Sessions," Tom Butler and Van Viator, Nicholls; "Peer Training: Using Student Assistants," Peggy Schenk and Matthew Paris, Louisiana Tech; "Course Integrated Library Instruction: A Pilot," Karen Leeseberg, Nunez; "Interdepartmental Collaboration: Off-site Access," Dinah Williams, Northeast; and "Using Lexis/Nexis Legal Resources," Catherine Jannik, Northwestern. The "Librarian's Role in the Future of Distance Education" was presented by Dr. Tom Abbott from the University of Maine with Mike Abbiatti, Louisiana State Board of Regents, responding. "Community College Libraries in Louisiana: Current Development" was a topic addressed by Jules Tate, Nunez, Lenora Lockett, Delgado, and Ginger Bryan, Bossier Parish Community College. "CLARR: How to Get Started... and Other Electronic Solutions" was presented by Natalie Palermo, LSU.

At the "Joint Business Meeting: Academic Section and ACRL," a major topic of discussion was the criteria for the Outstanding Academic Librarian Award. The existing criteria were revised. The Award Committee will now serve as a candidate search committee accepting nominations from LLA members and/or directly nominating candidates. The committee will prepare a report on their decision prior to the annual meeting. The committee will inform the person or persons nominating a candidate of the committee's decision regarding their nominee. If a candidate was not chosen, the candidate may be re-nominated another year. The award recipient is to be determined from the nomination forms and supporting data using an evaluation instrument

based on a point structure. The Award committee will serve overlapping two year terms. I have appointed Joe McNeill, McNeese, and Martha Henderson, Northwestern. The new chair, Jules Tate, will appoint two other members. The new guidelines are provided in this issue.

Many thanks to all of you who worked so hard and for your willingness to help.

LLA Academic Section Annual Meeting

March 18, 1999

Minutes

Chair Rebecca Stenzel called the meeting to order at 12:35pm. There were approximately 45 persons in attendance. She introduced the current officers of the section: Jules Tate, Vice Chair/Chair Elect; and Susan Richard, Secretary.

Copies of the minutes of the 1998 meeting were distributed. The minutes were corrected stating Cinderella Hayes not Cinderella **Brazile** reported on the ACRL/LA activities. The minutes were approved as corrected.

Vice Chair Jules Tate discussed the programs sponsored by the Academic Section. They included: "**Innovations in Library User Education, Part I and II**"; "**Working with Vendors: Avoiding the Pitfalls and Negotiating the Biggest Bang for Your Library Buck**"; "**Librarian's Role in the Future of Distance Education**"; "**Community College Libraries in Louisiana: Current Development**"; "**CLARR: How to Get Started**"; and co-sponsored "**So You Are Planning a Document Scanning Project**". He stated there was a high number of attendees at each program.

Rebecca discussed the year-round activities that involve the Chair of the Academic Section. She encouraged the membership to volunteer to run for office.

Rebecca distributed the guidelines for the Outstanding Academic Librarian Award. Discussion followed and proposed changes were suggested. A motion was made to accept the changes and include the following additions:

- The committee will prepare a report on their decision prior to the annual meeting.
- The committee will inform the person or persons nominating the candidate of the outcome of the decision and will encourage the person or persons to re-nominate the candidate if the candidate was not chosen.
- The committee will prepare an evaluation instrument on the candidate.

The motion was approved and the guidelines were amended to reflect the changes. Jules discussed his plans for the coming year:

- Have representatives from ACRL/LA, Academic Section, Continuing Education Committee, and others meet to discuss their mission statements.
- Research grants for monies to bring more national speakers for Academic Section programs.
- Brainstorm ideas for year-round Academic Section programs.

Rebecca made the following announcements:

- The LLA election of officers was disqualified. New ballots will be sent with a deadline of mid-April. The results should be posted by May in the LLA Newsletter.
- The Academic Section currently has 208 members.
- The Bayou State Periodical Index, indexed and published by USL, is working with LLA to become a LLA publication with state-wide indexing by Louisiana librarians.

The meeting was adjourned at 1:35pm.

Respectfully submitted by

Susan Richard, Secretary
