

BYOB CONTEST

Start excavating your closets and office cubbyholes now to unearth your entry for our Bring Your Own Bag (BYOB) Contest. Yes, we stole this wonderful idea from the SCC/MLA (October 2007 Annual Meeting). We are going GREEN (Be sure to see the collection station near Exhibits for Recycling Paper). As such, you provide your own bag for conference.

Bring your bag to the Exhibit Committee Station inside the Exhibits Area before 4:00 p.m. Wednesday, March 5, 2008 to enter it in one of the Contest Categories, playing on our theme *Designing the Future*:

- **Respecting the Past Award** for the oldest LLA conference bag
- **Archival Preservation Award** for the oldest bag, any conference
- **Best Search Award** for the furthest traveled bag (from a conference far, far away from Shreveport)
- **Ground Breaking Discovery Award** for the bag from the most obscure conference/organization/vendor
- **The Future Designed Award** for best in show

Winners will be announced Thursday morning during the Exhibit Reception.
