

About the Track Charts...

In an attempt to assist you in deciding which programs you would like to attend, The Louisiana Library Association has developed eleven possible tracks that each session can be categorized by. The Tracks are listed at the top of each column and sessions that fall within that track are listed below. A session may fall into several tracks. The sessions are listed by the times that they are offered. Both Friday and Saturday offer sessions in ten of the eleven tracks. The tracks identified are:
